

Environmentally Sound Appliance Hauling & Recycling Firms

The Efficient Living: Illinois PHA Program Team has identified service providers who are professional firms whose services are available for qualified environmentally sound hauling & recycling of appliances in Illinois. PHAs must use the list to select professional firms to haul and recycle old inefficient appliances.

This list does not promote any firm or individual. The three environmentally qualified firms are:

1. Appliance Recycling Centers of America, Inc.

Peter Hausback, Executive Vice President of Recycling Operations, 952-930-1799;
phausback@arcainc.com; <http://www.arcainc.com>

2. Recleim

Justin Rainer, 404-819-7179,
